Haul Block Launch	As Needed				\$20.00 per foot + \$100
Hull Service	2-3 Years		\$2000	\$2500	Includes bottom paint-drive service-haul-Polish Hull
30 hour check	once	295	295	495	Including initial drive servicing
Fuel Based on 75 hours use per year per engine					A car that gets 25 MPG run 15,000 miles / year uses 600 gallons per year if it gets 15 MPG it uses 1,000 gallons per year.
4 cylinder		150	Gallons		180 SSi
6 Cylinder		225	Gallons		190 SSi, 290 Signature doubled for twin engine
Small Block 8 Cylinder		490	Gallons		202,212,222,232,242 Cobalt; 224, 244 Sunesta; 236SSX; 210,215,246SSi; 282 Cobalt, 310/330 Signature x 2.
Big Block 8 Cylinder		675	Gallons		252,272 Cobalt; 264,284 Sunesta; 256,276SSX; 275SSi; 350 Signature doubled however we've found that because of increase performance a 350 has it really uses about the same as a 330. See Joe Hoffmaster for explanation.

Ask about the Federal Highway tax rebate of 17 cents/gallon of gas for boats and the mortgage interest deduction on boats that have sleeping, cooking and bathroom facilities.

This sheet is prepared for ballpark budgeting purposes only and is an estimate only. Be sure to ask the dealership you are purchasing from for exact pricing they use. The above estimates are based on typical amounts charged by Hoffmaster's Marina. For more information contact Hoffmaster's Marina at 703.494.7161 or by email at sales@hoffmasters.com
